

DROID 2.0

(February 22, 2019 - February 23, 2019)

On 22nd Feb, 2019, Droid 2.0, a two day technical fest of the School of Engineering and Technology, Mody University of Science and Technology, Lakshmangarh was initiated by the inaugural ceremony at Mody University Auditorium. The

ceremony began with lamp lighting by dignitaries which was followed by University theme Song. The dignitaries present were Dr. V.K. Jain (Dean-SET), Prof. Venu Gopala Rao (Director Academics, MUST), Ms. Sunayna (Admin and Communications Manager, SWE, India), Shri. B.M. Bhamu (Guest of Honor, OSD, Energy Dept., Govt. of Rajasthan), Prof. H.D. Charan (Chief Guest of the event, Vice Chancellor, Bikaner Technical University, Bikaner), Dr. A. Senthil (HoD-CSE) and Dr. Anand Sharma (Coordinator-Droid 2.0). They inspired the students with their influential presence and advised them for achieving their aim without losing moral values. Dr. V.K. Jain, Dean-SET welcomed the students and dignitaries with his motivating words and showed his gratitude towards the technical society, Utkarsh which organized this technical event.

Guest of honor, Shri B.M. Bhamu, OSD Energy Department is an experienced engineer with a demonstrated history of working in the electrical and electronics manufacturing industry. He gave a mesmerizing oration implying the importance of education and its essence, reflecting on not only individual personality but on whole society.

The chief guest Prof. H.D. Charan is the Vice Chancellor of Bikaner Technical University, Bikaner. His vision is to cultivate and improve the development of mind, body and personality of the students and enable them to contribute to global society. He enlightened the students on importance of self-evaluation and how it helps one to achieve heights of success in life.

Ms. Sunayna, the Admin and Communications Manager for Society of Women Engineers, India Team, handed over the Certificate of Accreditation to Mody University. With this the university is an official International Affiliate group of the society. The mission of the affiliate group is to simulate the women to achieve full potential in career as

engineers and leaders, expand the image of engineering profession as a positive force in improving the quality of life and demonstrate the value of diversity.

Dr. V.K Jain, felicitated the guest of honor, Shri. B.M Bhamu by presenting a memento. Prof. Venu Gopala Rao, felicitated the chief guest with a memento. Dr. Anand Sharma, presented a memento to Ms. Sunayna. The ceremony marked its end by vote of thanks from Dr. A. Senthil.

The events conducted during the fest were Poster presentation, Hardware Project Presentation, Coding Competition and Mobile App Development Workshop. More than 220 students participated in various events. The workshop was conducted by professionals from GoEduHub Technologies, Jaipur. Exhibition of Hardware and Poster Presentation was visited by Ms. Sunayna and other faculty members.

Second day of Droid 2.0 commenced with evaluation of Poster and Hardware models and coding solutions. The judges of poster competition were Prof. N.K. Joshi and Dr. Brajraj Singh. Students were evaluated on the basis of content clarification, originality, layout and presentation skills. The winning teams from the posters were "Sketch It Tech" (Ms. Barkha Sharma, Ms. Varnika Singh, Ms. Sanjoi Dubey) and "E-emigrants" (Ms. Kalyaani Verma, Ms. Poorva Tiwari).

Prof. P.P Bhattacharya and Dr. Sudhir Y Kumar evaluated the hardware projects based on the demonstration of their model design, construction and its social impact. The team who bagged the top position was Team "SS" (Ms. Shivangi Rathore, Ms. Shristi Vyas) and team

“Beacon” (Ms. Divyanshu Agrawal, Ms. Vandita Vyas, Ms. Saumya Sharma, Ms. Anisha Gautam) were the runner ups.

The enthusiastic coding teams presented their innovative notions on "Crowd Funding". The assessment of coding event was done by Dr. Anil Saroliya and Dr. S.S.Verma. Teams were analyzed depending on their aesthetic presentation and how they have embedded their innovative ideas using technicalities to encapsulate the theme. "Coding titans" (Mr. Vishal Sharma, Mr. Yashwant Soni) and "Gbytes" (Ms. Gunjan Bhatnagar, Ms. Grisha Jain) were the winners of the event. The winners of the competitions received a cash prize of INR 5000/- and 3000/-.

The workshop on “Mobile Application Development” was a huge success as the students learned about the latest framework that is used by developers across the globe and they are now positive enough to work on their own applications using Android Studio.

The last event of the fest was a brainstorming quiz competition with Mr. Raman Puneet Singh from IBM as the quiz master. The quiz was a complimentary event for the participants.

Droid 2.0 was successfully concluded with prize distribution and valedictory ceremony with Prof. Anriban Sengupta, Dean SMS, Prof. N.K. Joshi, HoD-NST, Dr. Anand Sharma, Secretary CSI Lakshmanagarh Chapter, Ms. Samridhi Mehta, Convener, Utkarsh and Ms. Navya Mathur, Co-Convener, Utkarsh at the dais. The winners were awarded with certificates and cash prizes worth INR 19,500/- and all the participants were felicitated with certificate of participation. The Droid 2.0 was at the end a huge success.
