Tech-Quiz

CSI Student Branch, MUST Lakshmanagarh organized a tech-quiz event on September 3, 2019, i.e. Tuesday from 4:30 pm to 6:30 pm. The event commenced by the arrival of various students from I and II year in which introduction of CSI, its recruitment procedure and its benefits were discussed. It was followed by the 'Technical Crossword Puzzle' in which all the students participated actively.

The students who scored highest were qualified for the next round. The following round was a Rapid Fire round where the 24 qualified students were checked by their knowledge regarding latest technology. Everyone enjoyed and learned a lot new stuff. It also encouraged students to update their knowledge regarding the technical facts and news on daily basis, 8 students made through this round.

Third and the last round was a task where a technical question was asked and students had to click the pictures of objects starting with same letter to that of their correct answer, 15 minutes was allotted to each participant to click maximum pictures inside the campus. The students were creative and competitive. The winner was able to collect 40 pictures.

Overall the event was interactive, participation was in large number and their queries regarding the society and other doubts were resolved by the team.

The event was concluded with prize distribution to the best scoring students of the last round. The event was a success with active participation of the students.
