

Symposium on Technical Trends

March 06, 2022

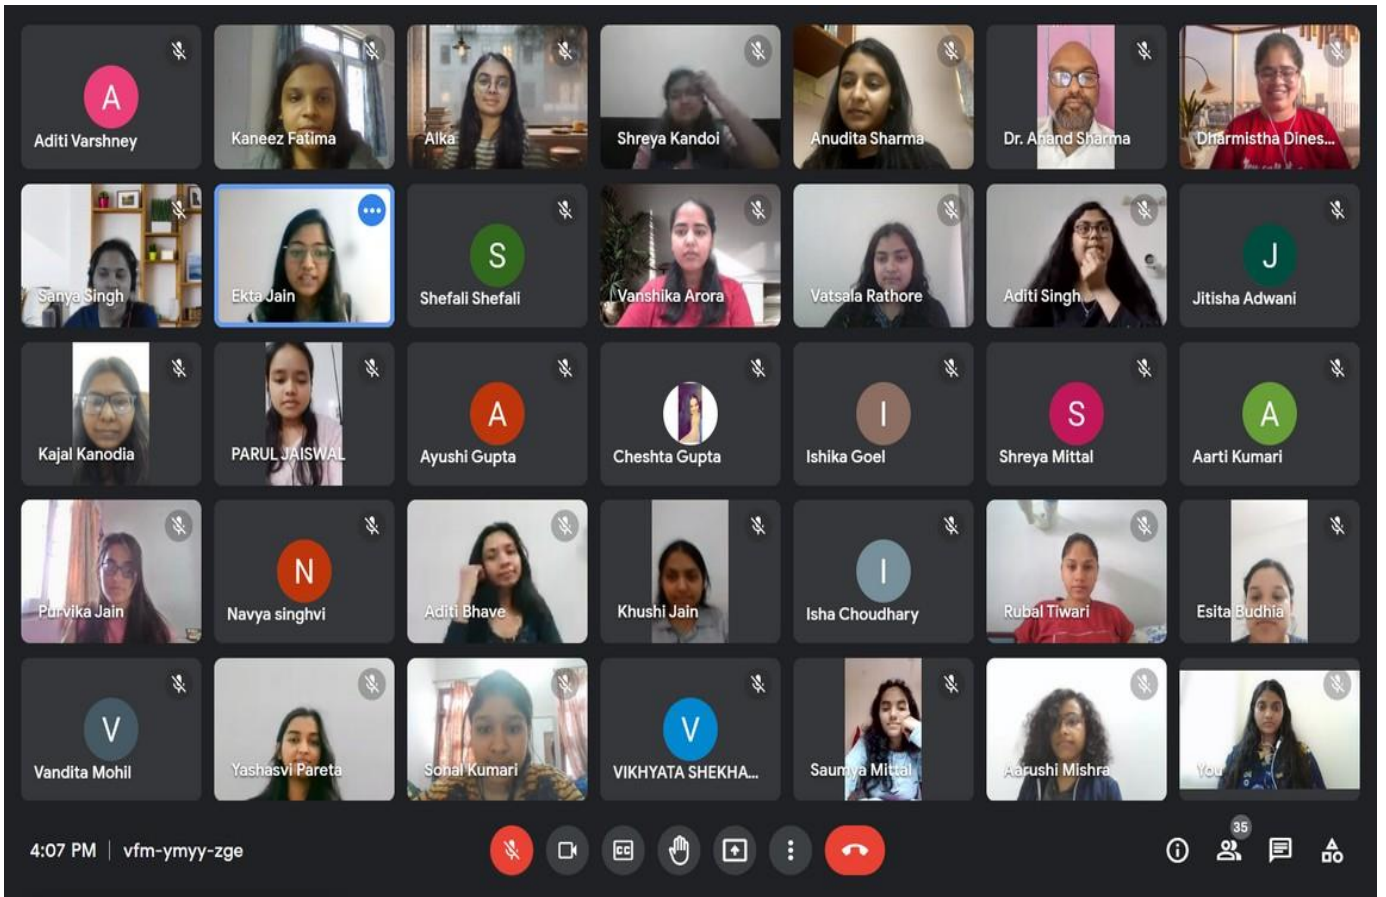

On 6th March 2022, marked as CSI Day, Utkarsh-CSI Student Branch, MUST in association with CSI Lakshmanagarh Chapter organized a “Symposium on Technical Trends” to celebrate CSI day and upcoming women's day. The online meet was held through the platform of Google meet.

On the introductory note Dr. Anand Sharma, SBC, CSI Student Branch, MUST introduced the CSI to all the members. Computer Society of India is a body of computer professionals in India. It was started on 6 March 1965 by a few computer professionals and has now grown to be the national body representing computer professionals. It has 72 chapters across India, 511 student branches, and 100,000 members. The Society also encourages and assists professionals to maintain integrity and competence of the profession and fosters a sense of partnership amongst members. Besides the activities held at the Chapters and Student Branches, the Society also conducts periodic conferences, seminars. He also talked about the membership benefits. The Society is targeted at the IT professionals and also user community at large. Hence, the membership of the Society is open to all professionals involved in the field of information technology.

Loads of women are leading tech companies to the forefront. Here in this symposium we had a few of the women who are shaking up the status quo and making a noticeable difference in today's technology landscape. After that the Technical talk was started and all the speakers were Ex-Members of CSI Student Branch, MUST who are working in various IT domains around the world shared their experience and discussed some of the latest trends in IT sector.

The speakers and other members enjoyed a fun event after the technical talks. The fun event organized was that of a spin-a-wheel with different questions and tasks written on the wheel and each speaker had to spin the wheel and perform the task or answer the question written where the pointer stopped.

The meet was very interactive as all the members and speakers met after a long time and talked about the memories they made in the past few years and also very knowledgeable as the members got to know a lot more about the society from the ex-members of CSI student branch, MUST. The meet ended with inspirational words from faculty mentor Dr. Anand Sharma and a group photo with all the speakers and participants.
