

Placement Panel Discussion-1

10th October 2020

"Science can amuse and fascinate us all, but it is engineering that changes the world"
-Isaac Asimov

Engineering placements are considered to be the toughest and CSI Student Branch wants all students to grab the biggest opportunity.

Keeping this in mind CSI Lakshmangarh Chapter in association with CSI Student branch, MUST, Lakshmangarh organized the **Placement Panel Discussion-1** event on October 10, 2020.

TPO and students placed in companies till now from the final year shared their experiences. Speaker also talked about soft skills. This was a great event as it increased the knowledge for cracking interviews and provided the due guidance to students/aspirants to achieve the goal.

At the end Dr Anand Sharma, SBC, CSI Student Branch, MUST, Lakshmangarh express the vote of thank to all the speakers and students.
