Next was the Technovation event which was held from 11:30 am onwards, where participants were assigned a case study and were asked to share their ideas by the end of day in the form of a presentation. Based on the presentation, students were selected to showcase their ppt in front of the judges on the following day.

The last event of the day was the coding competition which was at 2:30 pm where students participated enthusiastically. The test window was open from 2.30 pm to 6.30 pm and the test duration was 60, 90, 100 minutes for 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> year respectively on the Hackerrank platform. As this was the very first coding competition for many students they got to learn about online coding platforms and competitions.

On the next day, the Technovation presentation took place and the winners were chosen by the judges, Mr. P K Bishnoi and Mr. Vinay Verma. It was followed by the CSI Drive event. The drive started at 5:00 pm, where students were given information about the CSI and the privilege of being its member. The speakers of the event were Dr. Anand Sharma (Faculty coordinator of Utkarsh- CSI Student Branch, MUST, Lakshmangarh, CSI), Tanya Swarup & Vanshika Arora (Deputy General Secretary, Utkarsh).

The program was concluded by the most awaited part of the event i.e. winners announcement of all the competitions and Vote of Thanks by the faculty coordinator of Utkarsh, Dr. Anand Sharma. The program ended with his wise words and a closing ceremony followed by the winner announcement on the social media page.
